Dear Mr. Sabitoni:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B supporting Line 28(a) discloses a refund made to Construction Laborers Vacation Operating Account; however, it appears that the receipt of this contribution has not been reported by your committee. Please provide the original date of receipt of the contribution. In addition, you must amend the report covering the period during which the contribution was received to disclose the receipt on Schedule A supporting the appropriate line of the Detailed Summary Page. 11 CFR §103.3(b)(1)

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Refunds to other political party committees should be properly disclosed on a separate Schedule B, supporting Line 28(c) of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to national party committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
